

Sierra Vista Scenic Byway  
**ROSS CABIN PLUS TOUR with Connie Popelish**

Saturday, August 31, 2024

Where: Meet at the CDC Office at Old Mill Site Conference Room in North Fork

Time: 9:00 AM

After an introduction and 10 minute video, we will carpool to the cabin, about a 25 minute drive.

The tour will include the present and original sites of the cabin, a visit to the graves of Jesse Ross, Julia Bell Ross Hallock, and George Hallock on the Apple ranch.

The owners of the Noma Resort will give us a short tour of the property and we will picnic at one of the ponds they have developed.

Bring a sack lunch, walking shoes, hat, etc. We will have water.

Connie is a former Forest Service Archeologist and was a prime mover in relocating the cabin to its present sight.

It would be helpful if you responded to [dwaltner@netptc.net](mailto:dwaltner@netptc.net) if you plan to attend.
